Announcement of Extraordinary Losses

This is to announce that Enigmo Inc. has posted extraordinary losses for Q1 of FYE January 2017 as stated below.

1. Contents of the extraordinary losses

After examining the financial situation and performance of Enigmo's subsidiary Enigmo Korea Inc. (hereinafter "Enigmo Korea"), we have decided to book a provision for doubtful accounts of 32,404 thousand yen as extraordinary losses for the cash advances to Enigmo Korea.

As has been explained in the "Notice on share acquisition accompanying a change in consolidated subsidiaries" disclosed on March 16, 2016, Enigmo acquired shares of Enigmo Korea during Q1 of FYE January 2017, and the company has now been included in the scope of consolidation. However, since the deemed acquisition date was April 30th 2016, Enigmo Korea is consolidated only on our balance sheet for Q1 of FYE January 2017. Therefore we are making individual assessments as to the recoverability of the credits extended to the company before they were included in the scope of consolidation.

2. Outlook

The forecast figures for FYE January 2017 announced on March 16, 2016 will remain unchanged.
