Notice regarding Amendment of Dividend Forecasts
(Dividend commemorating Listing in the First Section of the Tokyo Stock Exchange)

Please be informed that a resolution was passed at the meeting of the Board of Directors held on January 22, 2020 to amend dividend forecasts per share for the fiscal year ending January 31, 2020, in the way indicated below.

Details

1. Reasons for the amendment

Our company was listed in the First Section of the Tokyo Stock Exchange on April 18, 2019. We extend our heartfelt gratitude to all our stakeholders who have given us their warm support and advice, without whom this would not have been possible.

Accordingly, as a token of our gratitude for the unceasing support of all our shareholders, we have decided to award a dividend of seven yen per share in commemoration of our listing in the First Section of the Tokyo Stock exchange.

Please note that, because we are still a growing company, in future, we will give priority to growth investments (Not only M&A and capital tie-ups, but also strategic marketing investments that will bring investment and sales growth).

Turning to dividends from the next fiscal year, while, depending on factors such as growth investments and impending capital demand, we may not award dividends, our policy is to move forward maintaining a balance of internal reserves while giving comprehensive consideration to elements such as changes in business results, financial conditions and future business and investment plans.
